2038. Il mondo è diventato il riflesso di un incubo. Tredici donne sensuali intonano un canto antico, in onore di tredici streghe morte sui roghi in un lontano passato. Una figura imponente, con il viso coperto dalla maschera del gran caprone, avanza tra loro, accompagnata dalla musica di un flauto. Le capitali europee sono in rovina. Dopo Parigi, anche Mosca, Roma, Barcellona e Berlino sono tornate al medioevo: le periferie si sono svuotate e i sopravvissuti si sono accampati nel centro delle città. A New York la popolazione vive nascosta, in piccole comunità. La guerra percorre i sentieri della dea madre, riecheggia tra scenari avvolti dalla nebbia e scossi da grida di agonia. Luz stringe tra le mani l'elsa di Malefic, la leggendaria spada dalle nove teste di serpente. L'apoteosi del giudizio universale è vicina. Akelarri è il terzo volume del progetto di Luis e Romulo Royo: la trilogia di Malefic time. Dopo aver viaggiato in giro per il mondo, la loro eroina Luz guiderà lo scontro finale tra i celesti e i caduti.

Witchcraft or witchery broadly means the practice of and belief in magical skills and abilities exercised by solitary practitioners and groups. In this part it is briefly explained that prevalence of sorcery which is a method of Satan's final assault motivated authors to write the Malleus Maleficarum: [Lucifer] attacks through these heresies at that time in particular, when the evening of the world declines towards its setting and the evil of men swells up, since he knows in great. Witchcraft is a broad term that varies culturally and societally, and thus can be difficult to define with precision, therefore cross-cultural assumptions about the meaning or significance of the term. Witchcraft or witchery broadly means the practice of and belief in magical skills and abilities exercised by solitary practitioners and groups.
